Conditions for the

WORKED ALL FRANKFURT AWARD (WAF)

Every radio amateur in the world can obtain the WAF if he has a certain number of qsls as listed below. Only those qsls count which show

either DOK number F Ø5
and / or " Member Radio Club of Frankfurt "

Every card with DOK FØ5 and / or from a club member counts 1 (one) point per band. If the same station has been worked on all 5 short wave bands it counts 8 points. The card from the clubstation DL Ø FM or DLØFFM counts 5 points, but only once - no band multiplier can be used. Cards which show the callsign with the suffix either "mobile" or "portable" are valid as well.

ALL APPLICANTS DL - Europe and DX need 15 points

The WAF certificate is available in 4 versions : CW, phone, mixed, VHF/UHF

To apply for the WAF certificate send a list of the contacts performed showing:

callsign, date, time, band and operation mode.

No qsls are requested, however, the applicants must have confirmed the listed qsos so that their cards are available in Frankfurt. The list or log copy needs to be signed by two other licensed amateurs.

All qsls are valid since 1st Jan 1960

Costs: 12 IRCs or DM 5, -- Diplom Manager : Joachim Hillmann Pfungststr. 3 D - 6000 Frankfurt - 1 DL 6 QX
